Dear Principal Antolak:

U.S. News & World Report would like to congratulate you on Terry Sanford High receiving a Silver Medal in our first annual list of America's Best High Schools.

America's Best High Schools recognizes three categories of distinction: gold, silver, and bronze. Analysis is based on:

- Standardized test performance
- Proficiency rates of all students, including the least advantaged
- Challenging college-ready curriculum

The silver medal recognizes high schools meeting all three criteria.

A complete list of America's Best High Schools, as well as details about the analysis and the methodology used to develop the ranking, is available at www.usnews.com/highschools. We encourage you to share this news with your community and the members of your local media.

Congratulations to you, your teachers and your students for achieving this great distinction.

Sincerely,

Brian Kelly
