The student named above has applied to attend the School of Global Studies at Terry Sanford High School. The School of Global Studies is designed for the motivated student who wants a broad-based college preparatory education in literature, languages, history, science, mathematics and the arts with a link to global awareness. Each year students will be required to take AP and/or Honor level courses. Your recommendation should reflect their ability to perform at an accelerated rate that includes reading and writing college level material.

Please rate your student in the following areas. You may return this form to the School of Global Studies at Terry Sanford High School through the school mail courier or the form may be mailed
