## **Theatre Arts-Essential Standards:**

### **Communication**

- 1-Use movement, voice, and writing to communicate ideas and feelings.
- 2-Use performance to communicate ideas and feelings.

### **Analysis**

- 1-Analyze literary texts and performances.

### **Aesthetics**

- 1-Understand how to design technical theatre components, such as costumes, sets, props, makeup, lighting, and sound.

### **Culture**

- 1-Analyze theatre in terms of the social, historical, and cultural contexts in which it was created.
- 2-Understand the traditions, roles, and conventions of theatre as an art form.

## **Grade Distribution:**

Grades will be calculated using the following weights for each category:

Tests/Projects/Performances	30%
Classwork/Homework/Participation	70%

\*The Final Exam at the end of the semester will count as 20% of the final grade for the course.

## **Participation:**

Theatre is an interactive class. For this class to be successful, it is essential that **everyone** participates fully in all classroom activities. Each week, students will get a participation grade, which will count for 40 percent of their average. The grade is based on the student's preparation, attitude, level of effective participation in class activities and discussions, etiquette as an audience member, and respect for classmates, teacher, and facilities.

## **Academic Integrity:**

As outlined in the CCS Student Code of Conduct and the Terry Sanford Student Handbook, academic integrity is extremely important and will be expected in this class. Cheating of any kind will not be tolerated and will have both academic and behavioral repercussions. This includes, but is not limited to, plagiarism and redundant publication.

Redundant publication is sometimes referred to as 'double dipping' or 'dove tailing'. It occurs when a student submits a paper, project, or assignment (or a substantial

portion thereof) to fulfill a course requirement, even though that paper, project, or assignment had earlier been submitted to satisfy the requirements for another course. This type of practice is a serious offense and constitutes plagiarism.

*Submitting the same or slightly-reworked version of a paper, project, or assignment in two courses is prohibited in this class and will be treated as cheating.*

### **Extra Credit**

There are standing ways to earn extra credit in this class. The points will be tracked and applied to whatever grade that will best help your total average.

- Be in a play or help backstage (20 points): After your performance run has ended, show me your program with your name in it and write a 1-page reflection on your experience.
- See a play (10 points): When you have gone to a *live* theatre performance, bring me your ticket or program from the performance, and write a 1-page summary and response to what you saw. This does include FTS theatre performances!
- See a live performance of another type (5 points). These performances may include ballet/dance recitals, symphony concerts, etc. Bring me your ticket or program and write a 2-paragraph summary and response. This includes fine arts events at Terry Sanford (chorus, orchestra, band, dance, or art) and the program needs to be signed by the appropriate teacher.

### **Class Supplies-Students are required to have the following for Theatre class everyday:**

### **Theatre Sponsors**

Theatre can be quite an expensive proposition and YOU can be a great resource to help in raising funds for our program. The more resources we have available, the more exciting and varied our options are. Please take a sponsorship letter and form home (or several) and ask your parents, extended family, friends, neighbors, etc. to help. This is not mandatory and there is no penalty if you do not. Thank you for your willingness to help!
