Make-up work: It is the student's responsibility to get work and notes missed due to an excused absence. Excused absences include doctor's appointments (must turn in a doctor's note), school approved field trips, or funeral. If a student plans to be absent for any other reason, they need to arrange to get their work ahead of time so that they can turn it in the day they return. **Feel free to email me anytime with questions about what you missed or if you see a grade that raises a concern w/ you!** Students have 3 school days to turn in make-up work.

I update grades daily. You will receive a grade every day for something that we do in class!! There will not be any surprises about grades at progress report / report card time.

Please encourage your students to be responsible for his/her learning. Attendance, class participation, completion of assignments and daily study is a must. I am here to help.
