CCS Future Educators Summer Enrichment Programs

Rising Sophomores

- Students will be provided with a program that will involve touring schools within the district to offer students a first-hand look regarding the economic and cultural diversity that is offered within the district.

Rising Juniors

- Students will be provided with opportunities to enhance their awareness of diversity, increase their knowledge base on social and cultural diversity, develop skills they can use to effectively teach a diverse student population and create opportunities for them to talk with each other about topics related to diversity.

Rising Seniors

- Students will be provided with an opportunity to obtain a first-hand look at the total school community. Time will be spent in the central office with the superintendent and other central office staff members. Students will learn more about the day-to-day operations of the school system from a broad level to help them gain a better understanding of how all the pieces fit together.
