The School of Global Studies charges a yearly fee of \$100 that covers the cost of social events, printing, supplies, and supplementary materials. Because this expense may be a financial hardship for some families, we offer a complete fee waiver for students who receive free lunch and a reduction of \$50 for students who receive reduced lunch.

Please check one of the boxes below, sign and date, and return the form to the main office or to the Global Studies office in the West Wing.
