Class of 2019 Graduation Dress Code

You will not be admitted to Graduation Practice or Graduation if you are dressed inappropriately.

Females:

- If wearing a dress or skirt that is shorter than the gown--any color is acceptable
- If wearing pants or a dress/skirt that is LONGER than the gown, solid black or solid navy is the required color
- Shoes: Solid black ONLY! Heels must be enclosed or strapped.
- It is recommended that shoes be no higher than 2" for safety purposes. There are two sets of escalators you will have to walk down. Spiked heels are also discouraged for your safety on the escalators. Flats are acceptable.
- Minimal jewelry, especially facial, due to flash of cameras possibly distorting pictures of you receiving your Diploma. Professional photos will be taken at Graduation Practice at the Crown Coliseum and at Graduation.

Males:

- Solid black or solid navy pants only—NO KHAKIS!
- Solid black shoes ONLY—NO SPERRY OR BOAT SHOES!
- Solid white button down shirt—short or long sleeve acceptable
- Tie/bowtie is optional
- Dark color socks—NO WHITE!
- Minimal jewelry, especially facial, due to flash of cameras possibly distorting pictures of you receiving your Diploma. Professional photos will be taken at Graduation Practice at the Crown Coliseum and at Graduation

Academic cords and stoles will be discussed later in the school year. General rule of thumb: if the cord or stole is NOT academic in nature, it cannot be worn at graduation. All cords and stoles must be approved by Cumberland County Schools Board of Education Policy.

Non-academic cords and stoles may only be worn at the Senior Awards Night Ceremony.
