

# STUDENT TIPS FOR ONLINE LEARNING

## Elementary and Secondary Tips for Getting Started and Staying Focused

- Stay connected with your teacher. Check Canvas and your CCS email regularly for updates on your classes. Teachers offer online office hours - take advantage of them to connect, provide feedback, and ask questions about the course material.
- Get your study space set up and make it special- you will be spending a lot of time there! Here are some tips on creating an ideal study space for online learning.
- Get connected with your friends and classmates. Organize some study sessions or schedule a virtual brunch through Facetime or Google Hangouts to catch up. We need to stay connected to stay positive and motivated.
- Do whatever you do to manage stress. Let go of what you can't control and focus on the positive people and experiences in your life right now. Also, try to laugh!
- Plan your time and set goals. Use the success resources available to you such as:
